3. Closing is 12:00, noon. All vendors must be clear of the spaces by 1 pm.
4. See the attached Parking Guidelines for additional information.
5. All spaces first come, first served.
6. Due to the increase in Covid cases, masks are recommended.
- 7. Please stay off the grass!**
8. No weapons, pornography, or pets.
9. Due to limited space, especially for indoor space, preregistration is strongly recommended.

**Stop by the Maryland Army National Guard table to see their communications and say hi to their recruiter.**

***SSG Dave***

For additional information or to preregister for space email [ccarc.k3pzn@gmail.com](mailto:ccarc.k3pzn@gmail.com)

## Parking Guidelines

Due to limited parking, the following guidelines will be used to ensure a safe and enjoyable hamfest experience.

1. General admission parking is in the regular spots on the right of the image, filling from back to front to insure sufficient tailgater space is available.
2. Tailgater parking/setup begins on the right side of the building in the spaces closest to the front. Tailgaters will fill in, moving towards the back of the building.
3. There are four large outdoor spaces labeled 1 through 4 in the loop towards the back of the building. Tailgaters requiring these spaces should preregister.
4. If all lined tailgater space is filled, tailgaters will wrap around the building, until the roll-up

door leading into the indoor spaces. Please leave adequate space on the road for pedestrians and an occasional vehicle. This may be your exit route at the end of the day.

5. Indoor vendors may park on the left side of the building, beginning at the gate and parking up to the roll-up door.
6. There is no overnight parking or on-campus stays.

## **Indoor Space Guidelines**

1. Indoor space is first come, first served, with pre-registrations strongly recommended.
2. Electricity is available.
3. **No** tables or extension cords are provided.
4. Tables and chairs should have cushioned feet to protect the Gymnasium floor.
5. Payment is due upon entry to the building.
6. Space will be reserved until 8 am. Vendors not in place by 8 am will forfeit their spaces.
7. Charges are \$20 per 10 foot frontage space.
8. The gym will be open on Friday, October 22, from 6 pm to 9 pm for set-up. At 9 pm all vendors must exit the building; the doors will be locked. Overnight stays are not permitted.
9. Indoor vendors may park (on hamfest day) on the road on the left of the image, filling in up to the roll-up door.
10. The intended pedestrian traffic flow is from the parking lot, across tailgaters, then around the building ending at the indoor spaces so leaving space for tailgaters up to the roll-up doors facilitates this.
11. When parking on the left side of the building, please leave space for vehicles to exit around the loop. This is your exit path.
12. Please be completely out of the building by 1 pm.

### ***Note to All***

The Carroll County Amateur Radio Club, Inc, a nonprofit, equal opportunity organization, is grateful to the Maryland National Guard Armory, its leadership and staff, for permission to use their facility for our hamfest. Using their facility is a privilege and one that we hope to use again.

Please be respectful of the facility and endeavor to leave it as you found it. Feel free to stop by the National Guard Recruitment table to thank them in person.
